

NBA OFFICIATING Last Two Minute Report

Below is the league's assessment of officiated events that occurred in the last two minutes of last night's games which were within five points at the two-minute mark (and during overtime, where applicable). The plays assessed include all calls (whistles) and notable non-calls. Notable non-calls will generally be defined as material plays directly related to the outcome of a possession. Calls that are indirectly related to the outcome (e.g., a non-call on contact away from the play) and/or plays that are only observable with the help of a stop-watch, zoom or other technical support, but have some merit in reporting, are noted in brackets along with the explanatory comments. The league may change an opinion after further review, particularly when a new video angle becomes available. If you have any questions, please contact the NBA Communications Department.

Q4	00:02.7	Turnover: Stepped out of Bounds	Derrick Favors			Video
Comment:	[Observable in enhanced video] To be out-of-bounds, a player must touch the floor or any object on or outside a boundary, not just break the plain of the boundary. While it is clear that Favors (UTA) leans his foot back before starting forward, using available production angles and freeze-frame, we are unable to determine conclusively if his heel actually touches the floor/line.					
Q4	00:00.9	Foul: Shooting	Trevor Booker	James Harden	CNC	Video
Comment:	Booker (UTA) and Hayward (UTA) legally contest Harden's (HOU) jump shot attempt.
