

NBA OFFICIATING Last Two Minute Report

Below is the league's assessment of officiated events that occurred in the last two minutes of last night's games which were within five points at the two-minute mark (and during overtime, where applicable). The plays assessed include all calls (whistles) and notable non-calls. Notable non-calls will generally be defined as material plays directly related to the outcome of a possession. Calls that are indirectly related to the outcome (e.g., a non-call on contact away from the play) and/or plays that are only observable with the help of a stop-watch, zoom or other technical support, but have some merit in reporting, are noted in brackets along with the explanatory comments. The league may change an opinion after further review, particularly when a new video angle becomes available. If you have any questions, please contact the NBA Communications Department.

Q4	01:07.0	Instant Replay: Overturn Ruling			CC	Video
Comment:	After communicating with the Replay Center, there was conclusive video evidence that showed the ball was last touched by Paul (LAC) prior to going OOB. The ruling on the court was overturned and New Orleans was awarded possession.

Q5	04:20.0	Turnover: Traveling	Tyreke Evans			Video
Comment:	[Observable in enhanced video] RHH and freeze frame show that Evans (NOP) jumps and lands prior to releasing the pass. The official is looking for any point of contact on a potential shot attempt and does not see the feet on this play.					
Q5	03:51.0	Foul: Loose Ball	DeAndre Jordan	Ryan Anderson	INC	Video
Comment:	After the shot has been released, Jordan (LAC) dislodges Anderson (NOP) during rebounding. The successful field goal attempt should be scored and Jordan called for a loose ball foul.
